

I am Tynyshtykbai Balausa Zhappasovna. In 2011, I entered OKMPU as a teacher of the subject «Biology». I studied for 4 years with the best grades and graduated in 2015. 09/01/2015 entered the Department of Biology of OKMPI for the position of «Engineer». I was on maternity leave from 2016 to 2022 to start a family. On 01/09/2022, I got a job as a teacher at the Department of Biology.
